This map, created by the GIS Division for the City of Rifle's Planning Department, utilizes a number of component GIS software and data sources. It is a graphical representation intended to aid in thematic analysis within various City Departments. This map does not guarantee dimensional accuracy and is not to be substituted for legal surveys or City records. Always refer to professionals and/or official cited documents for concerns of legal interest. This map is continually being updated and/or edited, and is presented to reflect the most current information available. The map is not to be edited or changed without the expressed consent of City of Rifle authorities. The City of Rifle assumes no responsibility for the use of this map outside the outlined intended application.
