## Office Information

RIFLE RECREATION is located on the lower level of City Hall, 202 Railroad Ave. Office hours are usually 8 AM-5 PM, Monday-Friday. If you cannot make these hours, please call and we will set something up. Because we are a small department, we are not in the office at all times. Rifle Recreation is committed to supporting the AMERICANS WITH DISABILITIES ACT. Please call us if you require special assistance for participation in our programs.

## Deadlines

**Why does Rifle Recreation have deadlines?**

**Why does Rifle Recreation charge late fees?**

**Why does Rifle Recreation register so early for sports activities?**

**Why can't we add another child to a full team?**

We receive these questions often, especially after deadlines have passed.

Deadlines are set so we have time to organize activities. Most deadlines are set a week before an activity begins. Usually, these activities need just a head count so we have

## Deadlines cont.

proper staffing.

Some activity deadlines, such as youth baseball, occur more than a month before the activity starts. The reason the registration deadline is so early is because we need to complete the following before the season begins:

Split players up into teams  
Order uniforms  
Meet with the other towns to make game schedules  
Make sure we have enough coaches  
Make sure we have enough sponsors for the teams  
Make sure we have enough equipment for each of the teams  
Have a coaches meeting to schedule practices

### **Why do we charge a late fee?**

The foremost reason is to have participants register on time. After a deadline has passed, we need to do extra work for a new participant to be enrolled such as:

Ordering an extra uniform. This costs us more after our initial order, we save money with bulk orders

Ordering extra equipment

Contacting the coach or instructor with the new information, since rosters have usually been distributed

Rifle Recreation puts limits on the amount of children on a team for the following reasons:

Extra players on teams effect all participants playing time

Kid management (the more kids, the harder it is for the volunteer coaches)

Equipment (we make sure there is enough equipment, i.e. basketballs, for each child)

To avoid frustration, register before the registration deadline. Please take a look at the Activity Registration Dates page.
